Depending on the direction you are travelling, arrive at the set of traffic lights at the Ramada Comet Hotel, and opposite, via the set of traffic lights is the Campus and Business Park. Enter via **Mosquito Way** passing the campus on your left hand side and proceed to the **2nd roundabout** and **turn left** into **Albatross Way**, this is the bus route which goes in a complete loop around the Campus and student houses. Keep going and **ignore** all signs that say “**access only**”. As you come towards the end of the road you will see the Bowls Club on your right, turn right through the barrier which will be raised by a club member, and park by the tennis courts opposite the club house.

Coming in this way, there is no need to park in the pay & display car park and having a long walk with your bowls equipment. You are advised not to use the Clubs postcode in a satnav as this is likely to deliver you to the St Albans Road East end of Albatross Way where there is no vehicular access.
