- 1) Matches are scheduled to start as scheduled at 9.00. Note that no variations in date or time are permitted. Anyone/team not able to play thereby concedes to the opponent.
- 2) Matches will commence after a welcome by the President or designated Officer of the Association.
- 3) All participants will wear their club shirts and whites. Marker where required will wear a District shirt or white shirt with white trousers. (shorts are permitted)
- 4) All players shall have their Club stickers on their woods. There is no exception to this except where opposing teams are from the same Club, in which case the District shall provide sets of stickers for each team to use to clearly distinguish the sets of woods.

- 6) The District shall provide an umpire.
- 7) SADBA will provide the scorecard, suitably completed with details of Challenger and Opponent plus the name of marker where appropriate.

- 9) The Competition Secretary will check the list of competitors in pairs, triples, 2 wood triples and fours to ensure that no more than the number of permitted substitutes have been used and to ensure that also that any substitutes used prior to the semi final, and at the semi final if relevant, have not played for any other team in the same competition. (A team will be disqualified for a breach of these rules.)
- 10) In the event of a problem arising on the day of a match not covered by these rules then the decision of the senior District Officers present is final.
