Remarks & Highlights

What a great afternoon on what proved to be the hottest day of the year thus far and with a good win for the District largely through a strong result on rink 6.

As usual, great hospitality from Harpenden and an excellent meal to top an afternoon of friendly bowling and banter on a superb green. What more could we have wanted? £82 was raised from the Spider for the President's charity, SENSE.

Two badges were presented to Nigel Whittle and Gary Kelly who bowled for the District for the first time. Acknowledgements also go to Bob Padgett who was not scheduled to play but came along to provide a running reserve.
