Remarks & Highlights

We had an excellent match with a strong home win for although as we had only 8 SADBA names put forward (2 rinks), Townsend kindly made up another rink and 3 triples. It was a glorious warm afternoon and played in excellent and delightful company. Many thanks go to Robbie Ranstead for preparing an excellent, well paced and true green, and to Peter Thomson for making all the arrangements with his Club. Robbie, with the help of Janet and Jean also cooked us an excellent meal, with the serving helped by other members of the Club. (Our next match is at Shire Park on Saturday 8th June to celebrate 75 years)
