Remarks & Highlights

Sadly the District could only raise 11 bowlers but Shire park lent us 3 to help make up teams of 1 rink and 3 triples. It was an enjoyable game in brilliant sunshine and with an excellent meal. Michael Woodhams, SADBA Secretary and Past President then presented the Club with a glass plaque to celebrate their 75th Anniversary. Although the overall win was 86-37 for the District this does not show that it was a thoroughly enjoyable match played good banter and friendly spirit. Top Rink prizes went to rink 3 and also to Gus Edwards in appreciation of his organisation. Gifts were also given to Joan & Robin Bramsom for their hard work in the kitchen & green. Special thanks go to Michael Woodhams for organising & leading the District team
